Let me put the package together for Ginny to sign on behalf of Kim. I'll bring it up this afternoon. Then I can pdf it and send it (via email and hard copy) to Gary on behalf of Kim, and cc everyone electronically, including Angela.

This letter looks terrific to me. I recommend Ginny sign now—I can forward a copy to Angela at DEP once I get it.

Thanks for all your work on this☺

Looks good to me. I'm happy to sign as well either for Kim or have it come from me.

Dave/Ginny

Attached is the final draft of the letter to AVX re TSCA comments on the revised Phase III RAP.

In the interest of time in trying to get this out today, I'm also attaching a redline version for Ginny to see how we included her comments. I checked with Kim yesterday before she left to be sure she was OK with me making the changes suggested by Ginny and getting the letter out today. I think if there are any more significant comments, it will have to wait until Kim returns from vacation.

Let me know if you are OK with it. I'll be in a meeting until noon today so will get it out this afternoon.
